Our Mission

Behavioral Health Care's (CBHC) mission is to enhance the quality of life of Charlotte County residents by making available a wide variety of high quality behavioral health and addiction services. Our services are available to people regardless of religious belief, or ability to pay, whenever possible and appropriate.

About Us

Charlotte County Behavioral Health Care is a local, private 501C(3) non profit organization providing behavioral health, recovery services and addiction services. We are delivering these services for adults, adolescents and children in Charlotte County since 1999. Originally providing services from a small office on Sullivan Street in Punta Gorda, we now have a staff of 5, we are now located on a campus in Punta Gorda, with over 100 employees. Our Healthy Families, a child abuse prevention program, is located at the Charlotte County Family Services Center in Punta Gorda.

Over 10,000 residents annually utilize the programs offered by Charlotte County Behavioral Health Care. We offer individualized, compassionate care and support for persons with behavioral health conditions and co-occurring disorders. We help you find a personal path of recovery through proven treatment models.
