Jay Glynn Recovery Center Dedication Ceremony to be Held on November 9th

PUNTA GORDA, FL. (October 24, 2017) – Charlotte Behavioral Health Care (CBHC) announced it is hosting a dedication and ribbon cutting ceremony for the Jay Glynn Recovery Center on Thursday, November 9th at 10:30 a.m. The public is invited to attend.

In 2006, CBHC opened the Recovery Center on a quiet, scenic corner of its 40-acre campus in Punta Gorda. The Center offers both detox and residential treatment services. Jay Glynn was an employee at CBHC for almost 36 years, serving 10 of those years as CEO before retiring in 2016. Glynn was instrumental in lobbying for the recovery facility and a resolute advocate for the power of the recovery process, thus the building is being dedicated in his honor.

"Jay advocated at the county and state level to bring addiction treatment to Charlotte County and achieved significant local support. Because of this advocacy, we have been able to change and save lives, and for this we are grateful," stated Victoria Scanlon, LMHC, CEO at CBHC.

The Recovery Center at Charlotte Behavioral Health Care offers both detox and residential treatment services which provide people with the tools to attain and maintain a productive and rewarding life away from the struggles of drug or alcohol addiction.
